Knowledge is Power

Share Yours and Empower your Community

Through research, The U-Links Centre for Community-Based Research helps a broad spectrum of Haliburton organizations learn more about issues facing the community and how to improve on what they do best. We are looking for individuals willing to share their knowledge by providing community based guidance to students & organizations within Haliburton County.

U-Links is seeking individuals who can share their knowledge in these & other areas:

- Environment
- Housing
- Statistics
- Aging
- Fundraising
- Stewardship
- Marketing
- Logistics
- Health Care
- History & Culture
- Web & Computer support
- Project Design & Methodology

Could you offer as little as 2 hours per year to benefit our community?

Do you have a desire to "give back"?

Are you interested in how research can improve our community?

If so - Please email or call U-Links Volunteers

Marie Gage mariegage1626@gmail.com / 705-286-5085

or

Susan MacInnes smacinn3@sympatico.ca / 705-489-3582

Here are some specific examples of how you can be involved:

- Help promote / organize events
- Help students become connected into the community
- Review the design & methodology of a project within your area of expertise
- Provide feedback & critique for research projects
- Supervise a student project of interest to you
- Help students interpret results
- Join the Management Committee for U-Links
- Provide an overview of background knowledge for projects in your area of expertise
- Provide additional support for students & community organizations
- Write and / or Co-Sponsor funding requests
